## "Let Justice Flow"

Let what is fair roll down like waters. Let what is right and good flow forever like a river.  
(Amos 5:24)

Thank-you for your interest in THINKfast, our parish's annual social justice event for youth!

- During THINKfast, participants fast from solid foods for 24 hours as a reminder of and in solidarity with those who must go without their basic needs every day. They spend this time learning about a particular social justice issue, and how they can make a difference, through games, simulation activities, videos, group discussions, and prayer.
- *This year, our focus is on how the lives of our brothers and sisters in the Global South are impacted by the scarcity of water and by private companies taking control of water resources.*
- **THINKfast 2021 will be held online using Zoom, and participants will complete their fasting at home.**
- Each year our parish takes part in Development & Peace Caritas Canada's Share Lent Campaign, which raises money to aid the poor and hungry around the world, including those suffering from water scarcity and privatization. Please consider collecting pledges (safely!) from family, friends, and anyone else you might like to ask to support this year's campaign (*see pledge form below*).

**Age Group:** Grade 5 and up

- Students in Grade 8 and older have the option of participating as leaders.
